

ROYAL XL

TOSCANO FORME · BEACH & OUTDOOR · MADE IN ITALY

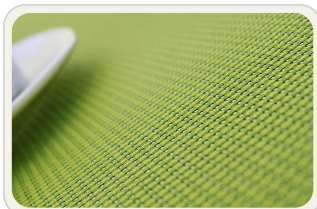

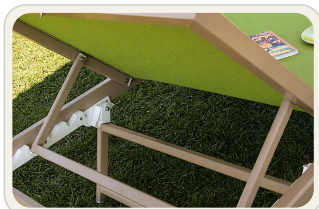

A versatile and durable professional sun lounger designed for comfort and practical use. The powder-coated or anodized aluminium structure and folding legs simplify transport and storage. The reinforced TIG-welded frame ensures lasting strength, while the five-position adjustable backrest provides personalized comfort.

PRODUCT

TECHNICAL FEATURES

- Oversized frame. 80 × 30 mm anodized or powder-coated aluminium profiles, TIG welded.
- Internal subframe. Integrated structural reinforcement for stability under intensive use.
- Adjustable backrest. Five positions with a solid, elegant and intuitive mechanism.
- Folding legs. They fold into the frame to simplify transport and storage.
- Reliable components. Stainless steel and self-lubricating nylon for long service life.
- Technical sling. High-density PVC-coated polyester, breathable and resistant.
